Subject: Share the Spirit of Giving This Season and Support Women Build 2026!

Hi [Friend's Name], I hope this email finds you well and enjoying the holiday season. I'm reaching out to share something meaningful during this time of giving.

This year, I've committed to participating in the Pensacola Habitat for Humanity Women Build 2026 initiative, and I'm excited to help build hope right here in our community. Women Build is an incredible program that empowers women to come together and build homes for deserving homebuyers and their families. It's an opportunity for us to make a tangible impact and create positive change.

Instead of gifts this year, I'm asking for your support in reaching my fundraising goal. During the holidays, we focus on generosity. This feels even more special. Every donation, no matter the size, brings us closer to providing safe, affordable housing for deserving families.

Would you consider making a donation to support my Women Build fundraising efforts? Your contribution will directly benefit families in Escambia and Santa Rosa Counties, providing them with the opportunity for a better future.

To donate, simply visit my Women Build fundraising page: [insert link here]. Any amount you can give will make a meaningful difference and is greatly appreciated. Thank you so much for considering supporting. I hope you have a Merry Christmas!

Thank you so much,
